Green Bay Doulas and House of Hope Host 8th Annual "Diaper Green Bay" Drive

June 16 – 18, 2025 | Goal: 50,000 Diapers for Local Infants and Toddlers

[GREEN BAY, Wis.] Nearly 50% of families with young children struggle to afford enough clean, dry diapers – a basic need not covered by government assistance programs. To close the gap locally, [Green Bay Doulas](#) and [House of Hope](#) are hosting the 8th annual Diaper Green Bay from June 16 to July 18, 2025, collecting diapers and baby wipes for families experiencing homelessness or housing instability.

Since 2018, the community has donated more than 400,000 diapers through Diaper Green Bay. This year's goal is 50,000 diapers, with a special focus on larger sizes 3–7 and Pull-Ups. Open or partial packages are welcome. All collected diapers benefit House of Hope clients and partner agencies, including Freedom House, Foster the Village, and We All Rise, ensuring babies throughout Brown County stay clean, healthy, and happy.

"Diapers are not a luxury, they're critical to a child's health and a family's dignity," said Emily Jacobson, owner of Green Bay Doulas. "Every donation keeps a baby clean and lets parents devote their resources to food, housing, and other essentials," added Beth Hudak, House of Hope's Director of Community Engagement.
